

**Figueroa Mountain Brewing Co**

**Job Title: Dept. Head – Shipping/Receiving & Warehouse**

**Classification: Exempt**

We are currently restructuring our Shipping/Receiving department and seeking a talented manager to take over as Department Head and help us continue our brewery's growth into the coming years

This role will oversee all facets of shipping/receiving/warehousing. Responsibilities to include day-to-day management of the entire department including, but not limited to, employee oversight, direction, development & coaching, inter- and intra-department communication, long- and short-term planning, logistics management, budgeting and budget execution, time management, and distributor and vendor coordination.

This will be a salaried position, reporting to Director of Brewery Operations. Compensation range to be commensurate with experience and talent, starting at \$56k & including full health benefits, PTO, and of course beer!

**JOB DESCRIPTION TO FOLLOW SOON!**
