

**Job Title: Quality Control Technician**  
**Classification: Non-exempt**

**Reports to: Quality Manager**  
**Date Written: 10/3/18**  
**Date Revised:**

## **JOB DESCRIPTION**

### **Summary/Objective**

The Quality Control Technician (Packaging) is responsible for monitoring, reporting, and acting upon data from a range of quality control metrics for brewery packaging operations at Figueroa Mountain Brewing Co. This position will also assist with general packaging operations, as well as brewery cellar and laboratory activities as necessary.

### **Essential Functions**

*Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.*

1. Performs tests on packaged goods to ensure QA/QC parameters are met.
2. Monitors packaging line operations to ensure compliance with good manufacturing practices and SOP's.
3. Assists Packaging Manager and Operators in completing scheduled packaging activities and cleaning and maintaining packaging space and equipment.
4. Reports and analyzes quality metric data and creates recommendations for improvement.
5. Collects and maintains samples of packaged products for testing and archival.
6. Communicates with management and staff on QA/QC status and performance.
7. Assists with general packaging operation and quality department workflow.
8. Any other duties as assigned.

### **Competencies**

1. Ability to create and edit spreadsheets and plot basic data.
2. Mechanically oriented, able to operate tools and instrumentation.
3. Detail oriented and meticulous.
4. Priority management.
5. Effective communication.
6. Problem Solving / Adaptability.

### **Supervisory Responsibility**

This position has no direct supervisory responsibilities but may advise and direct other employees towards improving operations.

## **Work Environment**

The Quality Technician works in a manufacturing environment with little or no climate control. Some exposure to conditions that are hot, cold, and/or wet may occur. May work in an environment with hazardous materials. Awareness of your surroundings, personal protective equipment, and proper attire are important to this position.

## **Physical Demands**

*The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.*

The employee is occasionally required to sit; climb or balance; and stoop, kneel, crouch or crawl. Must be able to use and manipulate fine tools and delicate instrumentation. Must be able to stand or move for an entire 8-hour shift. The employee must frequently lift and/or move cases of beer up to 25 pounds and 50-pound kegs, and maneuver 150 pound kegs. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception and ability to adjust focus.

## **Position Type/Expected Hours of Work**

Some flexibility in hours may be allowed, but the employee must be available during the "core" work hours of 6:00 a.m. to 2:30 p.m. for the morning shift, or 2:00 p.m. to 10:30 p.m. for the evening shift. Weekend work may be required as job duties demand.

## **Travel**

This position will not require travel.

## **Experience/Education**

- High school diploma or equivalent degree (GED) required.
- College level lab courses or equivalent experience is preferred.
- Knowledge of Good Manufacturing Practices.

## **Additional Eligibility Qualifications**

- Must be at least 21 years of age
- Must have reliable transportation to and from work
- Must be able to work independently without day to day hands on supervision.
- Cleanliness and Safety Minded

**Please include cover letter with your application. Applications received without a cover letter may not be considered.**
